

JACKSON COUNTY SENTINEL

VOL. 23, No. 44

GAINESBORO, TENN., THURSDAY, OCT. 20, 1921

\$1.50 A YEAR

H. J. LYNCH APPOINTED PROHIBITION OFFICER.

Sworn Into Office Saturday.

H. J. Lynch of this place has been appointed prohibition enforcement officer. He received his appointment Saturday and was sworn in immediately, County Court clerk McGlasson administering the oath.

Mr. Lynch is former trustee of this county, having served two terms. He has served two terms as high sheriff, and was one of most fearless officers the county ever had. He is capable for the place, and his appointment is expected to aid the prohibition forces very much.

If the good citizens of this section are sincerely down on "wildcatting" and want to see it stopped, give Mr. Lynch your assistance, co-operate with him every way possible, and if it is not stopped in a very short time, we miss our guess. We haven't space for further remarks, other than that we are sure the appointment of Mr. Lynch will meet with the approval of the citizens of the county, especially with those who are not engaged in the liquor business, and who want to see it put out of business.

Won First Money At State and Tri-State Fairs.

S. G. Rogers of White's Bend, one of the leading farmers of the county, has received word from the Tri-State fair at Memphis that he had won first and second prize on his two entries of Rogers' Improved Tennessee Red Cob corn. He also captured first prize at the State at Nashville on the same corn, and has made arrangements to have it entered at the fair at Atlanta, Ga., next week.

Dero A. Darwin, also of White's Bend, won first prize at the State Fair on his Tennessee Red Cob Seed corn, under the Smith-Hughes Vocational Agricultural Club of Tennessee. Mr. Darwin writes that he will complete the agriculture course at T. P. I. this year, and will be ready to volunteer his service toward the Jackson County Club hereafter.

Roberts-Harper.

Miss Marjorie Harper of Flynn's Lick, and Mr. Nevil Roberts of this city were quietly married in the Freestate Sunday Oct. 9. Esq. G. L. Dudley officiating. The bride is the young and attractive daughter of Mr. and Mrs. Will Harper, and has been telephone operator at the Lick for three years. The groom is the son of W. C. Roberts and wife and a member of the firm of Roberts Bros., who are in the business on west side of town.

ROUGH POINTS DEFEATS FLYNN'S LICK.

The Rough Point ball team defeated the Flynn's Lick team on the latter's diamond, Saturday Oct. 9, in a hotly contested game. The feature of game was the excellent pitching of Long, for Rough Point, who, just to show the boys what he could do, shut the Lickites out seven innings. The team is planning to play North Springs Tooters next Saturday.

A Rough Point Rooter

Jackson County Students At Middle Tennessee Normal.

Since Yuby Dam has joined the League of nation, we felt that it might be safe for our names to appear in print. But, ever since the war has been going on down there, Bruce Overton has been afraid to let his name appear on the pages of your paper, lest he might be drafted right into the service, (as Yuby Dam is his home country.) We are looking with pride to the report, that we are expecting of little Jimmie Crow on Nov. 11, in Washington, D. C.

The students from the different counties, of the state have met and perfected an organization for the purpose of maintaining a correspondence with their home counties, through their respective county paper. But Jackson county did not have enough present for us to put this plan over, so Bruce Overton and I have decided that we would not be outdone (as we were all that Jackson county had present) but would let you occasionally hear from us.

Since it is the sole purpose of the Middle Tenn. State Normal to train teachers we felt that Jackson county is being deprived of a great deal in not having more in attendance here, availing themselves of the opportunity that has been provided, for this portion of the state. The whole of our progress depends more or less on rural schools of the state and we are all aware of the fact that the progress of the schools depends on the preparation made by its teachers and prospective teachers.

We feel very much impressed with the capable leadership of our present superintendent, and know that our school system is going to make a wonderful success, if our young teachers will only make the necessary sacrifice, that is going to be demanded before they enter the profession. We are very much impressed with what the State Normal has done here for the teachers in Rutledge county. For every year's work done in preparation above the grammar school work, their salary is increased so much, making the Normal diploma the standard to which they are working.

It doesn't cost any more money to go to the Normal here than it does at the average high school, that is, if you are situated so you will have to board away from home.

The Normal endorses those forms, or activities that will advance the students and give them the proper inspiration to become efficient leaders in their respective communities. Of course football, basketball and baseball are all encouraged here, as long as they are clean and wholesome.

So far, we have played three games of football, one with Vanderbilt University, in which we were defeated, 34 to 0. This was a very satisfactory game, considering the size of the two teams. Then our next engagement was with the Reserves of Sewanee, which ended with a score of 7 to 0 in favor of the Normal. Then we met the Vandy Reserves here this week-end defeated them 13 to 14. Forest Little might be mentioned as one among the best players here. He was formerly of the T. P. I. school at Cookeville.

The 6th U. S. Infantry is marching, or hiking from Charleston, S. C., to St. Louis, Mo., and spend last week-end in Murfreesboro. They played a very interesting game of baseball with the town team here. Music was furnished by the 40 piece band of the Infantry during the game.

At the Middle Tenn. Normal we have about 18 to 20 boys this year that were in T. P. I. last year, so we are going to perfect a T. P. I. organization, so probably you will hear more from this organization latter on.

We will probably tell more of the literary work done here in

Dycus Defeats Burritt College

Dycus went all the way to Spencer Saturday, Oct. 15th, to cross bats with Burritt College, and to their surprise they were able to win after the long ride. It was due to the teams fighting spirit that it finally won. The whole team deserves mention for the brand of ball they played, with the exception of centerfielder Cox, whose playing was glaringly bad.

Dycus failed to score for three innings, but in the fourth they scored three, adding another in the fifth, and still another in the sixth and won out in the seventh, by scoring nine runs after two were down, and then come back again in the ninth and scored three more, making a total of 19 for Dycus.

Burritt College scored one in the first on Cox's error, another in the fourth, when Cox muffed an easy chance fly, and added four in the sixth on Cox's muffed fly, and some real hitting, and one in the seventh. Draper had relieved Minchey in the box at the start of the seventh, with two down and no one on base Boulden hit a home run. But thereafter they could do nothing with Draper's slow breaking curves. Draper is proving to be one of the best pitchers the Dycus team carries, having pitched 21 innings and only allowing two runs. The lineup of the Dycus and Burritt College game follows:

Dycus	Burritt College
C. Hackett, 2b	F. Bryant, p. 1f
C. Wiggins, 3b	Miller, c. p
G. H. Hackett, 1b	B. Bryant, ss. c
J. W. Wiggins, ss	Brady 2b
Draper, rf. p	Boulden, lf. s s
Cornwell, lf.	Woodley, 1b
Cox, cf.	Graves, c f
Ray, c	Louis, 3b
Minchey p. rf	Gillentine, r f

Score by innings.

1 2 3 4 5 6 7 8 9
Burritt College 1 0 0 1 0 4 1 0 0 7
Dycus 0 0 0 3 1 2 9 13 19

LOCALS

Tanlac, the celebrated medicine, is now sold by Anderson & Haile, Gainesboro, Tenn.

Dr. C. C. Fowler and Henry Long, of Hendersonville, were in Gainesboro Friday night and Saturday. Dr. Fowler reports a good practice, and is enjoying excellent health.

Mr. and Mrs. Travis Clark and children, of Haydenburg, were guests of relatives here Sunday afternoon.

Sam U. Crawford, of Cookeville, distributor for the Buick and Overland cars, was in town Monday.

Dr. R. C. Gaw was in Knoxville and Nashville several days last week.

L. C. Quarles spent a few days with Cookeville relatives last week.

T. H. Owen, of Cookeville R-3, was in to see us Saturday.

Tanlac has the largest sale of any medicine in the world. Over Twenty Million bottles have been sold in six years. No other medicine has ever approached it as a seller. Anderson & Haile Gainesboro, Tenn.

our next write up. That is if this doesn't hit the waste basket.

Yours for better school and qualified teachers.

Jackson Co. Boys, Wesley P. Platt president and correspondent for the club. Walter Bruce Overton, Vice President, Secretary and Treasurer, Sargeant at arms, etc.

EVERYTHING IN READINESS FOR COUNTY FAIR.

Prominent Agricultural Men To Speak-County Council of Agriculture To Be Organized.

Everything is in readiness for the Agricultural Fair to be held in Gainesboro, Friday and Saturday. Although the time has been short since the first announcement was made of the fair, every indication is, that exhibits will be entered in all departments, and that the attendance will be large.

The fair management request the Sentinel to announce that a premium will be given on other farm products, or articles made by the women, girls, boys or men of the county, that was not included in the regular premium list. In other words, if any citizen in the county has raised, grown or made something of real merit bring it to fair and a premium will be awarded it.

One of the most important features of this fair will take place Saturday at 1 o'clock, at which time T. N. Nixon, of the Division of Extension, Knoxville, will be here to assist us to organize a County Council of Agriculture, which is an organization of farmers for mutual benefits. It is to be hoped that every farmer will be present and lend his support to this movement.

In addition to Mr. Nixon, the State Department of Agriculture will send to us Capt. John T. Fuller, who is ably qualified to give us valuable information on many lines of our work.

LET EVERY-BODY COME.

C. H. SCHOOL NOTES.

The Sapphonean Literary Society out weighs, but the Apollonians out play's.

Friday afternoon the Sapphonean's, both boys and girls, accepted a challenge from the Apollonians.

Line up of Girls.

The score being 9 to 3 in favor of the Apollonians.

Boys.

Sapphonean. Apollonians.

F. Cordell Young. F. Frank Anderson

Fred Draper. F. Mark Tardy.

Garry Lynch. G. Roger Quarles.

Letcher Bailey. C. Crawford

Alex McDoogal. C. Horace Norton.

The score being 16 to 14 in favor of the apollonians.

Hallie Reeves Pres. of the apollian Literary Society.

Parent-Teacher Association.

The Parent-Teacher Association met in regular session at the school building last Wednesday afternoon. The attendance was good, but we were sorry to note the absence of some very faithful workers.

The features of the program was a short play by the second grade. There were musical numbers and reading by children of the various departments.

The business of the meeting consisted of plans for a pie supper to be held at the school building on Friday night, Oct. 21. The proceeds are to be spent by the association for school supplies. The sale of the pies will be preceded by a brief recital by the music department.

It is the object of the association to do everything in its power to assist our school to a higher plain in every respect, and it is evidently the sentiment of the members that the better equipment the school can boast, the better work can display. Such a prevailing idea is the kind that gets results. Our school and association are growing apace.

The next regular meeting will be held at the school building on Wednesday Oct. 28, at 4 o'clock.

PROGRAM

Song—Association.

Music—Music Department.

Object of P. T. A.—Miss Bolen, followed by general discussion.

Method of Punishment—Mr. Gaines, followed by general discussion.

Business.

Erol Rogers, Victor McDearman, Jack Smith, Margaret Haile, Lena Way.

Otha Smith.

Third grade honor roll.

Bill Wooten, Carl Smith, Will Grundy Quarles, Gus Netherton.

Joe Roark, Aaron Hunter, Herbert Anderson, Roy McCawley, Willie Roark, Velsie Maynerd, Kate Netherton, Amy Loftis, Christine Roberts, Mary Joe Meadows, Clyde McCain, Lola B. Allen, Bessie Huff.

Fourth grade honor roll.

Honor roll week ending Oct.

Primary Department.

Mrs. Maude McCain.

The music class is doing fine work. Those deserving special mention in class work last week are: Margaret Darwin, Rosamond Lynch, Mattie Clay Smith, Morgan Johnson, John Irwin Gist and Celia Morgan, each having beaten three or more players in musical games. Elementary, or musical Dominoes.

JACKSON TEACHERS HOLD INTERESTING MEETING.

Field Day To Be Held Dec. 2-3

The Jackson County Teacher's Association met Oct. 16. The program was taken up and carried out with the usual enthusiasm.

Prof. Chas. McClanahan of T. P. I. made a most interesting talk on school athletics. His talk was timely and to the point, and we were glad to have him with us.

A large number of teachers were present and reports show that a large majority of schools are doing fine work, with excellent attendance. Some report a number of pupils out, but this I am sure is only temporary and we hope soon to hear of their return to school work.

A suggestion was made by Mr. Davis, principal of North Springs High, that we have a "Field Day" for the schools of the county. Plans were discussed and a time fixed for the meeting, which will be December 2 and 3.

The following committee was appointed: Profs. Cox, Gaines and McDearman, Misses Blanche Tinsley and Otha Smith. This committee is to prepare a program, which will be published in due time. All of the schools are expected to join in this work and help to make it helpful to the schools of the entire county. Nothing so stimulates school activities as a friendly rivalry with other schools, and this cannot exist without some means of getting our schools together.

We will invite our State Supt. Mr. Brown to be present and we ask the co-operation of every teacher, patron, pupil, and school official in making this exercise worth while.

Don't be afraid to lead out or suggest on account of criticism. Remember the quotation. "If you would avoid criticism, you must do nothing, be nothing, and say nothing."

The people who have convictions and are not afraid to live up to them are the one who do most for humanity.

Yours for better schools, Estelle Gailbreath, Co. Supt.

Alfred Smith Cleared of Murder Charge.

After a ten days trial in the criminal court at Cookeville the jury, on Wednesday afternoon of last week, returned a verdict of "not guilty" in the case of the State vs. Alfred Smith, Jim Madewell, and Will Robinson (col.) accused of the murder of Raphael Purlmutter, which occurred in March 1920. This was the third trial of the case. The first trial resulted in a hung jury; the second, a verdict of "guilty of murder in the first degree without mitigating circumstances" was returned. The case was appealed, and was sent back for a new trial on the grounds that the jury and not judge should fix the penalty.

Both sides were represented by able attorneys. P. J. Anderson of this place was one of attorneys for the defense.

L. C. Hall, after a few days visit with his sister, Mrs. J. V. Pistole at Rough Point, has returned to Texas, where he is traveling for an oil concern.
